

## For the Attention of Local Residents

As local residents, you are still free to come and enjoy this wonderful wood. All we ask is that you limit your walk to the wooded area.

If you want to go beyond this kissing gate, we'd like to ask that you respect our right to charge admission.

**Also, we cannot allow any dogs outside of the wood.**

You could pay in the Gift Shop situated in our Stable Block.  
Alternatively, you could become a Garden Member, allowing you regular free access to the whole Botanic Garden.

For more information on this please ring 01558 667162.

Thank you
