Dewch i Wyl "Cam Cyntaf" Cymru, sydd wedi ei hysbrydoli gan Dywysog Cymru, yng Ngardd Fotaneg Genedlaethol Cymru.

Menter newydd yw "Cam Cyntaf" i helpu pobl ar draws y D.U. i fyw bywydau mwy cynaliadwy ac i ddarlunio dyfodol glanach, iachach a mwy effeithiol o ran ynni.

Fe fydd Gŵyl "Cam Cyntaf" yn cynnwys cyflwyniadau ac arddangosfeydd am y camau syml y gallwn eu cymryd i wneud defnydd gwell o'n hadnoddau naturiol - **ynni, bwyd, trafniadaeth, adelladau, gwastraff** - yn y cartref ac yn ein manau gwaith.

Bwriad "Cam Cyntaf" yw gwneud cynaladwyedd yn rhywbeth syml, positif, sy'n ysbrydoli.

YOU ARE INVITED TO

a garden party

to make a difference

Come to the Start Wales Festival,
Inspired by The Prince of Wales,
at the National Botanic Garden of Wales.

Start is a new initiative to help people across the UK lead more sustainable lives and to show what a more energy efficient, cleaner and healthier future could look like.

The Start Festival will feature presentations and exhibits on the simple steps we can all take to make better use of our natural resources - **energy, food, transport, buildings, waste** - at home and in our workplaces.

Start wants to make sustainability simple, positive and inspirational.

7th - 8th SEPTEMBER
