

National Botanic Garden of Wales			Primary Schools – Key Stage 2		Curriculum links	
Programme	ESDGC	Geography	Science	History	Design & Technology	Curriculum Cymreig
Earth Walks	Natural Environment					Environmental
Life Cycle of Flowering Plants	Natural Environment		Interdependence of organisms			Environmental
Waste and Recycling	Choices and Decisions Consumption and Waste Natural Environment		Interdependence of organisms 7 The sustainable Earth 6		Designing 2, 3, 4, 5, 7 Making 1, 2, 3, 4, 5	Economic Environmental
Plants in Action	Health Climate Change Natural Environment	Skills Locating 1, 2 Understanding 2, 3 Range –living in my world investigations & fieldwork	Interdependence of organisms 2, 3 Sustainable Earth 3, 4, 5			Economic Environmental
Sowing and Growing	Health Natural Environment		Interdependence of organisms 2			Economic Environmental
Life in Ponds	Natural Environment		Interdependence of organisms 4, 5, 6, 7			Environmental
Sustainability	Wealth and Poverty Choices and Decisions Climate Change Consumption and Waste Natural Environment		The sustainable Earth 6			Economic Environmental
Bee Aware	Health Consumption and Waste Natural Environment		Interdependence of organisms 4, 7			Economic Environmental
Rocks and Soils	Choices and Decisions Health Consumption and Waste Natural Environment		Interdependence of organisms 2, 5 The sustainable Earth 3, 5			Environmental
Plants in Medicine	Health Natural Environment		Interdependence of organisms 3 The sustainable Earth 3, 4	Chronological awareness 1, 2 Historical knowledge and Understanding 1, 3 Interpretation of history 2		Cultural Economic Environmental Historical
The World in a Welsh Cake	Wealth and Poverty Identity and Culture Consumption and Waste Natural Environment	Skills Locating 1, 2 Understanding 1,2,3 Range –living in my world investigations & fieldwork	Interdependence of organisms 2	Chronological awareness 1, 2 Historical knowledge and Understanding 3		Cultural Economic Environmental Historical
Grape Escape	Natural Environment		The sustainable Earth 4		Designing 2, 3, 4, 5, 7 Making 1, 2, 3, 4, 5	
Sun Power	Choices and Decisions Climate Change Consumption and Waste Natural Environment		The sustainable Earth 2, 5 How things work 1		Systems and control 14	
Where have all the flowers gone?	Choices and Decisions Climate Change Natural Environment		Interdependence of organisms 4, 5, 6, 7	Chronological awareness 1, 2 Historical knowledge and Understanding 3		Economic Environmental Historical
Christmas Cake Food Miles	Wealth and Poverty Identity and Culture Consumption and Waste Natural Environment	Skills Locating 1, 2 Understanding 1,2,3 Range –living in my world investigations & fieldwork	Interdependence of organisms 2	Chronological awareness 1, 2 Historical knowledge and Understanding .3		Cultural Economic Environmental Historical

Come and join us at the National Botanic Garden, a fantastic place for children to learn and explore. Have look at our range of courses and their links to the curriculum and then give us a ring.

To book with the Education Department
Tel: 01558 667150.
